[Superfund2017-2018.pdf](#)

Good Morning,

I have not received anything in writing in regards to the change of the Superfund leadership at Region 9 or closing of 2016, but wanted to send on this proposal. Do I need to add this to [grants.gov](#)? We have had staff out sick for the past two weeks and feel completely out of the loop.

This is the proposal we worked on when you visited us earlier this month.

Thank you,

Cynthia Oceguela
